

October 2026

Dear Students:

I hope you have settled into your Fall 2026 semester! The Chemistry Dept. full-time faculty are available for Advisement. **Please** take advantage of the Advisement process. Advisement ensures that you are taking the correct courses towards the fulfillment of your degree requirements and helps you avoid taking non-contributory classes that would adversely affect your TAP and/or PELL allotments. Our Advisors will assist you on your academic path towards graduation and attaining your desired goals – continued academics, career endeavors, or both!

You **MUST** contact an Advisor **by your City Tech e-mail PRIOR** to meeting with her\him. You **MUST** provide - your **Full Name and EMPL ID #, and the day\time\in-person or zoom** - you would like to schedule advisement for. You can find your Advisor's name in CUNYfirst — in your Student Center. PLEASE make every effort to contact your assigned advisor.

Please refer to the below advisement schedule for the days\times\locations\contact information of our Advisors.
