***A Guide for Dealing with Dismissal from
City Tech***

WHAT WILL YOU LEARN HERE?

- Reasons for dismissal
- The dismissal appeal process
- Alternatives for continuing your education

NOTIFICATION OF DISMISSAL

- Dismissed students are notified of their status through their CUNY First account. Students must be aware of the academic policies in the college catalog that will determine their dismissal.
- The college catalog can be found online at <http://www.citytech.cuny.edu/catalog/docs/catalog.pdf>
- It is every student's responsibility to check their grades and grade point average (GPA) after each semester and be familiar with the college's policy to determine one's academic status.

REASONS FOR DISMISSAL

1. Failure to attain the required minimum cumulative grade point average

Attempted Credits	Cumulative GPA must be greater than
1 – 12	1.50
12.5 – 24	1.75
over 24.5	2.0

2. Failure to advance from any developmental (remedial or ESOL) class after two attempts.

Students earning their first 18 college credits are eligible for Academic Alert Status prior to advancing to a more severe academic probation status.

APPEALING YOUR DISMISSAL

- Explain your circumstances in your statement and submit supporting documents (if available) to Committee on Course and Standards.
- Committee on Course and Standards Appeal form is available at:

<http://www.citytech.cuny.edu/registrar/docs/forms/appeal.pdf>

IMPORTANT: APPEAL DEADLINES PLEASE NOTE:

- Students can submit the appeal to the Committee on Course and Standards on or before the deadline (Currently Enrolled vs Non-Enrolled). Please refer to the college academic calendar for appeal submission dates.
- College Calendar <http://www.citytech.cuny.edu/registrar/academic-calendar.aspx>

IMPORTANT POINTS FOR WRITING A GOOD DISMISSAL APPEAL

State specific reason for dismissal:

- **Overall GPA is too low.**
- **Repeated failure for a Remedial or ESOL class**
- **Outline your plan to succeed at City Tech :**
- **Identify the classes you must repeat and the grades you must earn to meet the college standard.**
- **Tip:** a grade of C or higher in a repeated class will replace a D, F or WU in the GPA calculation (for up to 16 credits).

Explain and document any unusual circumstances that interfered with your progress , e.g. illness (it is recommended that documentation be supplied in English).

MORE IMPORTANT POINTS

- Document any academic work you have completed at another institution (i.e. transcript from another college).
- Explain what you'd do differently if accepted back to City Tech (study habits, utilizing resources).
- If possible, include a letter of support from a faculty member who knows your academic work.
- Expect to hear back from the committee just before classes start but be aware that many course sections might be closed.
- Expect that if an appeal is granted, you may be required to take only 6-7 credits that semester. Your dismissal status may effect the amount financial aid you receive.

WU APPEALS

- A grade of WU (unofficial withdrawal) has the same weight as an “F” grade on your GPA.
- To appeal grade change of WU to "W" (official withdrawal), check off this option on your appeal form. Submit documents to support.

OPTIONS AFTER DISMISSAL!

- Brooklyn Educational Opportunity Center for remedial classes only.
 - Students can't be accepted at BEOC if they have more than 30 credits.
